

Lucaya Presbyterian Church

Lucaya Presbyterian Church; Freeport, Grand Bahama Island, Bahamas: We are a part of the EPC under the presbytery of Florida and located in Freeport situated in the middle of Grand Bahama Island which is the northernmost island of the Bahamas and some 80 miles from the east coast of Florida. We are a small congregation of 70 members originating from many countries and denominations as well as from the Bahamas. On Grand Bahama Island, life is slow and laid back. There are no shopping malls, big box stores or planned activities on a continuing basis. You must be prepared for and willing to live an "island life" mentality that is slower in pace and flexible with regards to what we have here and what we can or cannot get.

Our Belief: We fully embrace the basic precepts of the Presbyterian Church through the five Solas: Scripture alone, faith alone, grace alone, Christ alone and to the Glory of God alone.

Our Prospective Minister: We are seeking a Bible preacher/teacher who is a caring man and sensitive enough to minister effectively in a cross cultural environment. He must continue to uphold our basic precepts, must be passionate about communicating God's word and apply the word to both young and old. The prospective candidate must be either ordained or theologically eligible for ordination in the EPC.

Ministers Responsibilities: Preaching and teaching the word of God, ministering to the needs of the congregation through visitation and counseling and a high level of pastoral care. Good interpersonal compassionate social skills are a necessity. We would like our new minister to: 1) continue the development, with hands-on involvement, of our youth group, IMPACT, and 2) organize prayer and Bible study groups. We also prefer a pastor who will plan and lead vocally in the praise and worship portions of our service.

Our Service: Our present worship style contains a variety of traditional and contemporary elements with which the present congregation is very content. The praise and worship portion of the service, musically, includes traditional hymns and contemporary Christian songs accompanied by piano with lead vocals.
