

CCKids Director (Children's Ministry)

40 hours/week, full-time, exempt

Overview

The CCKids Director plays an integral role in Christ Church East Bay's Next Generation Ministries and serves the congregation by overseeing our CCKids Ministry in such a way that newborns, toddlers, preschoolers, and elementary students are led into deeper relationships with Christ and his church through community, and for the city. While parents are primarily responsible for the formation of their children before God, our CCKids Ministry exists to supplement this formation and help lay down the foundations for a lifelong communion with Christ and his church by providing a safe, intentional, and engaging church environment and fostering a church culture for the children of Christ Church and their neighbors to be nurtured in (or introduced to) the Christian faith within the context of an intergenerational local church community. The CCKids Director, therefore, 1) directs and executes the programming of our institutional ministry to children when their families gather to worship and fellowship (primarily on Sunday, but also during midweek gatherings and special events); 2) provides prayerful care and thoughtful resources for children and parents in need of support and assistance; and 3) facilitates missional community amongst the children and parents of Christ Church East Bay, providing ways for them to connect with one another in covenantal relationships and ways for them to connect with their neighbors in missional relationships.
