**GA38-24**  
***FROM THE NATIONAL LEADERSHIP TEAM/BOARD OF DIRECTORS***

---

**Recommendation:**

That the 38<sup>th</sup> General Assembly re-elect the Stated Clerk to a new three-year term.

Rationale:

Following the *Acts of Assembly* 90-07 (which calls for an enlarged group to evaluate the performance of the Stated Clerk when his three-year term concludes), the Personnel Committee of the NLT conducted a thorough evaluation of the Stated Clerk from October - January. This evaluation included comments and feedback from across the denomination and included Ruling Elders, Teaching Elders, and staff members. The results of this evaluation were very positive and the NLT recommends the re-election of the Stated Clerk.
