
GA38-27
FROM THE NOMINATING COMMITTEE

Recommendation

That the 38th General Assembly revise language for Rules for Assembly Committee on Nominations XI. 11-3

Current Rules for Assembly XI.11-3	Proposed Rules for Assembly XI.11-3 Additions in <i>bold italics</i>
XI. Committee on Nominations 11-3 Each year at the Assembly, the outgoing Moderator shall nominate four to the Assembly for membership on this committee. At that time, the floor will be opened for other nominations.	XI. Committee on Nominations 11-3 Each year at the Assembly, the outgoing Moderator shall nominate four <i>the appropriate number of persons</i> to the Assembly for membership on this committee. At that time, the floor will be opened for other nominations.

Rationale:

The nominating committee finds it necessary to revise the language in order to provide sufficient guidance for the committee in the fulfillment of its responsibilities to the EPC.

Rule 11-3 currently requires the Moderator of the Assembly to name four (4) nominees each year in order to create three balanced classes that represent each presbytery. With the growth of the EPC to 14 presbyteries, it may be that the Moderator would need to add more than four (4) in a class in order to ensure adequate representation to all presbyteries.
