Tod Paulson Chairman

Summary of Work, 2018-2019:

- 1. Pursued the 38th General Assembly (2018) instruction to work to develop a fraternal relationship with the Presbyterian Church of Ghana.
- 2. Pursued the 38th General Assembly (2018) instruction to work to develop a fraternal relationship with the Presbyterian Church of Ireland.

- 4. Received an update on the work of the Translation Project team.
- 5. Continued to engage the Presbyterian Church of Mexico (INPM) as the EPC builds on this new fraternal relationship.

Recommendations to the 2019 General Assembly:

1. Recommendation 39-16:

That the EPC maintain its relationship with the Presbyterian Church of Ghana (PCG) through its membership in the World Communion of Reformed Churches (WCRC).

2. Recommendation 39-17:

The committee recommends that the EPC continue its conversation with leadership of the Presbyterian Church of Ireland about the possibility of a fraternal relationship.

3. Recommendation 39-18:

The committee recommends that *Rules for Assembly* be amended to reduce the number of ex-officio members of the committee.

Work of the Committee in 2018-2019:

The 38th General Assembly (2018) instructed the Committee to "work to develop fraternal relations" with the Presbyterian Church of Ghana (PCG) and the Presbyterian Church of Ireland (PCI). Both denominations are members of the World Communion of Reformed Churches (WCRC), of which the EPC is a member.

Presbyterian Church of Ghana (PCG). In response to the instruction of the 38th General Assembly, the committee is very grateful for the efforts of RE David Van Valkenburg (Cherry Creek Presbyterian Church, Englewood, Colorado) on its behalf. Van Valkenburg met with a number of PCG leaders on November 12, 2018 and filed an extensive report of these meetings. In addition to this report, the committee received documents from the PCG, including a proposed Memo of Understanding. Having severed ties with the PCUSA in 2011, the PCG is very interested in a fraternal relationship with the EPC. At its March 21, 2019, meeting the committee discussed at length and made a recommendation for 39th General Assembly consideration (see below).

Presbyterian Church of Ireland (PCI). The committee is very grateful for the efforts of TE Walter Taylor (Oak Island EPC, Oak Island, North Carolina) on behalf of the committee. As a part of his 2019 sabbatical in the United Kingdom and Ireland, Taylor met with a number of leaders of the PCI and filed an extensive report of these meetings. Like the PCG, the PCI is very interested in a fraternal relationship with the EPC. It is still in relationship with the PCUSA, but those relations were described to Walter as "frosty." The historic ties between Irish Presbyterianism and American Presbyterianism are significant. Francis Makemie served in the PCI before being send to the colonies in 1683. He organized the first presbytery in America. PCI leadership described itself as "the last orthodox, reformed Presbyterian denomination in western Europe." They also "take their confessional subscription to the Westminster Standards seriously." PCI leadership also informed Taylor that in response to the 38th Assembly's action to "work to develop fraternal relations" with the Presbyterian Church of Ireland, the PCI at its General Assembly June 3-7, 2019, will consider a reciprocal action. It is with that understanding that the committee made its recommendation for 39th General Assembly consideration (see below).

Composition of the Committee. At its October 3, 2018, meeting the committee reviewed the Rules for Assembly and Acts of Assembly declarations about the composition and work of the committee. It was noted that according to *Rules*, there should be four ex-officio members of the committee: The Stated Clerk, Moderator, Moderator-elect and past Moderator. Recent practice has been for the Stated Clerk and Moderator to participate regularly in the work of the committee. The sense of the committee was that two ex-officio members is sufficient, and made a recommendation for the 39th General Assembly to consider (see below).

List of Fraternal Relations and Ecumenical Memberships. The EPC currently enjoys the following fraternal relationships and ecumenical partnerships:

Fraternal Relationships

- 1. United States
 - a. Christian Reformed Church (CRC)
 - b. Associate Reformed Presbyterian Church (ARP)

NOTE: We enjoy informal relations with the Presbyterian Church in America (PCA). We host "guests" of the other at our General Assemblies.

- 2. Global
 - a. Presbyterian Church of Brazil (IPB)
 - b. St. Andrews Presbytery, Argentina
 - c. Evangelical & Reformed Church of Kazakhstan (ERCK)
 - d. Evangelical & Reformed Church of Peru (ERCP)
 - e. National Presbyterian Church of Mexico (INPM)

Ecumenical Organization Memberships

- 1. National Association of Evangelicals (NAE)
- 2. World Communion of Reformed Churches (WCRC)
- 3. World Reformed Fellowship (WRF)

World Reformed Fellowship (WRF). The 2019 General Assembly of the WRF will take place August 8-12, 2019 in Jakarta, Indonesia. Representing the EPC at this gathering (which takes place every four years) will be 39th General Assembly Moderator Case Thorp and Assistant Stated Clerk Jerry Iamurri.

National Presbyterian Church of Mexico (INPM). The committee is very pleased to learn that there are three INPM-ordained ministers leading EPC church plants in Hispanic neighborhoods. These are located in Omaha, Nebraska; Huntersville, North Carolina; and Memphis, Tennessee. Each of these works is moving ahead slowly but well. Lighthouse EPC (Presbytery of the Great Plains) has agreed to partner with an INPM church in the Cozumel region of Mexico to help with short-term mission and outreach work in Mexico. The hope is that a successful church-to-church relationship will lead to a successful presbytery-to-presbytery relationship as the EPC builds a strong relationship with the INPM.

Translation Project. The committee is very grateful for the team that is working to translate EPC documents into Spanish. This team includes RE Alfredo Aponte-Cordova, TE Thomas Johnson, TE Juan Rivera, and RE Jorge Martinez. Please see the statement of

their work below to celebrate the extensive and outstanding work they've completed to date.
