A Global Movement of Evangelical Presbyterian Churches

41-17

FROM THE GIVING CULTURE STUDY COMMITTEE

The Giving Culture Study Committee recommends that the 41st General Assembly **DIRECT** the Office of the Stated Clerk to send to all Presbyteries and churches, for study, the proposed change in the funding formula from Per Member Asking (PMA) to Percentage of Budget (POB).

Rationale:

Per Member Asking is no longer a viable method of determining a local church's giving formula at the national level of the EPC. Developing a percentage funding formula using Percentage of Operating Budget (POB) will standardize and define the accepted giving method for all churches in the denomination.
