

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, please visit [www.epc.org/benefits](http://www.epc.org/benefits) or call 1-877-578-8707. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at [www.HealthCare.gov/sbc-glossary/](http://www.HealthCare.gov/sbc-glossary/) or call 800-318-2596 to request a copy.

Important Questions	Answers	Why this Matters:
<b>What is the overall Medical Plan <u>deductible</u>?</b>	\$1,700 individual/\$3,400 two person/ \$5,100 family in-network, \$3,800 individual/\$7,600 two person/\$11,400 family out-of-network.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	<u>Network deductible</u> does not apply to office visits, <u>preventive care services</u> , emergency room services, urgent care, and <u>hospice service</u> .  <u>Copayments</u> and <u>coinsurance</u> amounts don't count toward the <u>network deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <u>deductibles</u> for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	\$6,750 individual/\$13,500 two person/\$13,500 family in-network  \$7,900 individual/\$15,800 two person/\$15,800 family out-of-network.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	In-Network/Out-of-network: Premiums, balance-billed charges, and health care covered under this <u>plan</u> do not apply to your total maximum out-of-pocket.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

An example of a benefit book can be found at <https://shop.highmark.com/sales/#!/sbc-agreements>.

<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. For a list of <u>network providers</u> , see <a href="http://www.highmarkbcbs.com/home/">www.highmarkbcbs.com/home/</a> or call: 1-866-472-0928.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do I need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your overall **deductible** has been met, if a deductible applies.
