

EPC Retirement Plan

EPC Retirement Plan members, did you know you can easily connect and manage your EPC retirement account via Mobile App?

Through your mobile device you can download the **Fidelity NetBenefits® Mobile App!** With the app members can...

View

Your account balances, investments, your personal rate of return, next steps, and more.

Act

Change your investments, update your profile or beneficiaries, send paperwork, and more.

Plan

See how much you may need in retirement.

Learn

Access educational articles, videos, podcasts, and interactive tools.

[Download the NetBenefits® Mobile App Now!](#) And while you're at it, check your beneficiary designation. 1 in 5 participants in the EPC plan still haven't designated their beneficiary. Are you that one?

HAVE YOU HEARD?

EPC medical plan members have personalized support services when you or your family member has a serious injury or illness. Meritain Health Case Management Services provides members with:

- Help in understanding your health benefits, home care needs, treatment options, and possible lifestyle changes.
- Communication facilitation between you and your doctor and hospital.
- Dedicated case managers who are registered nurses and licensed social workers who assess your health and help you develop an affordable plan.

Learn more about [Case Management Services](#). **This is a no cost service for EPC medical plan members.** Call the Meritain Health customer service team at 1-800-925-2272 to enroll.

Are you navigating Diabetes, Prediabetes, or High Blood Pressure?
