

Centerpoint Community Church of Roseville, CA seeks candidates for its Senior Pastor position.

We are a community of believers who seek to be all-in, sold-out, followers of Jesus Christ who love the Lord their God with all their heart, mind, soul, and strength, and love their neighbor as themselves.

If this describes you, we want to hear from you!

Key job functions include regularly planning and leading worship services in both contemporary and classic worship venues, presenting God's word to provide spiritual growth and direction, and serving as Centerpoint's head of staff.

Our church is located in Roseville California, close to our state capitol and centrally located between the California Coast and Sierra mountains. Our campus includes a Worship Center and a Family Life Center, providing settings for both contemporary and classic worship styles.

Ministry teams at Centerpoint have a passion for sharing the love of Jesus Christ everywhere, and with everyone, that we possibly can. We encourage service to both our local community and globally through our program ministries, mission trips, and partnerships with missions organizations. Active programs such as interest groups, small groups, support groups, and retreats meet to study the Bible, have fun and fellowship, pray for one another, and develop deep friendships.

What might you expect upon joining Centerpoint as Senior Pastor? You will be joining a truly great staff and congregation that seeks to honor Jesus not only in their work, but also in their personal lives. You will have a team who will genuinely care for you and for each other, pray for each other, and work together for the best possible future for our church. You will be supported by a Session that takes seriously its responsibility to work with you and provide you with the resources needed to fulfill our ministry. You will be loved by a congregation that genuinely seeks to support its pastors in every part of their ministries.
