

MISSION STATEMENT

We seek to know and show the enduring truth and love of Jesus Christ, by being a disciple-making family for Loveland and the world.

CORE VALUES

Biblically Grounded

We stand on God's truth in dependence on His Spirit, reading, studying, teaching, and obeying the Bible as our foundation.

Genuine Worship

We grow in our devotion to God, to exalt and enjoy Him with heartfelt adoration.

Transforming Community

We mentor and care for one another by age groups, by families, and intergenerationally to reach our full potential in Christ.

Serving Together

We partner as a team, ministering with the attitude of servants in all we do.

Engaging Our World

We engage our neighbors, the under-served around us, and the nations, sharing the truth of the gospel with love in action.
