

New Covenant church on the lake

Dear Applicants,

May 10, 2018

New Covenant Church on the Lake, in Pompano Beach, Florida, is a Christ-centered, multi-cultural congregation of 176 members. We are an Evangelical Presbyterian Church.

At NCC we exist to live in love and grace through the gospel of Jesus Christ in our families, neighborhoods, work places and communities. We are seeking a Lead pastor who will clearly communicate with both seekers and seasoned Christians, therefore helping us to enhance that vision.

We believe that the Bible is the infallible word of God and is a necessary resource for growth. We seek a pastor who is committed to teaching the message of the Bible.

We also believe that personal relationships are fundamental to shepherding God's flock. Therefore, we seek a pastor who will join the congregation in developing intentional relationships and support outreach efforts with our neighbors and community.

If you sense God's calling and are interested in this position, please submit a PIF with a cover letter via email to Tom Dinan at thomasdinan56@gmail.com.

Warmest Regards,
