

# River City Church - DeBary, Florida

## About DeBary

Located 26 miles north of downtown Orlando and 30 miles from the sands of Daytona Beach, DeBary is home to 21,000 people. Together with Deltona, Orange City, and DeLand, DeBary is part of the 'West Volusia' community which comprises well over 100,000 people. And like almost everywhere in Florida, DeBary and West Volusia are growing and gaining new subdivisions regularly. DeBary is known for its relaxed atmosphere, its paved walking trails and beautiful parks, its strong elementary school (DeBary Elementary), and of course the St. Johns River, which serves as its southwestern border (hence the name, 'River City').

## About Central Florida

Central Florida is one of the fastest growing regions in Florida and the United States. West Volusia is on the north side of the Orlando area, and serves as a bedroom community for Orlando, Sanford, and Daytona Beach.

Central Florida's attractions are second to none: Walt Disney World, Universal Studios Orlando, SeaWorld, Central Florida Zoo, LegoLand, and the Mall at Millenia all help to bring millions of people here each year. Central Florida is home to the second largest university in the country (UCF), as well as Reformation Bible College and Reformed Theological Seminary - Orlando.
