

Mission of Caldwell Presbyterian Church (EPC)

Section 1.

The mission of CPC is to live, preach and teach the Gospel and to make and equip believers to live in this world. Thus, CPC offers a home and church community for followers of Jesus Christ and for those seeking to find a relationship with Him.

Section 2.

Fundamental to its mission, CPC believes that: (1) the Gospel is the key to all that we are and do, (2) the Gospel assures that, because Jesus lived and died in our place, we can be accepted and loved by God, even though we are flawed and sinful by nature, and (3) we should seek to live in accordance with Scripture.

Please note that we are beginning the strategic planning process of where we, as a church, would like to be over the next few years.
