

First Evangelical Presbyterian Church

315 South Street
Anna, IL 62906

First EPC Anna is seeking a pastor who is not only a strong visionary but can impart a renewed vision to the congregation in his first year with us.

We prefer that this candidate has experience as a Senior Pastor as well as experience in growing a church.

He should have strong Biblical knowledge which plays out in sermons which are spiritually nourishing while applicable to everyday life.

EPC Anna has been through some rocky times, including the general malaise which accompanied the pandemic of recent years. However, though the attendance has stayed down, the spirit has not. We are, as we learned from a recent congregational survey, poised for change. We seek a leader whom we can follow in impacting our community for Christ.

Encountering God, Experiencing Christ, Engaging the World
