

Pastor Position Description

Woodland Presbyterian Church is prayerfully seeking a Pastor to lead us in spreading the Gospel of our Lord Jesus Christ in Algiers, LA (a suburb of New Orleans). Our congregation is a praying church with loving members and folks who are willing to work. We are looking for someone who knows the Father, Son, and Holy Spirit, believes in the infallible Word of God and can lead us into a deeper relationship with our Lord.

We are looking for the person God chooses who will preach the Good News and the hard news, who will walk with us in fellowship, who will work with the Session, Board of Deacons and congregation, and who will assist us in gaining a vision of where Woodland should be going. There are many opportunities with our body of believers to love and serve our community.

The candidate must meet the Evangelical Presbyterian Church's (EPC) requirements for ordination.

Our Church Information form, which details who we are and who we're seeking in a pastor is available.
