Church description:

We are a small church with a long history in the beautiful Riceville Valley in Asheville, North Carolina. We worship in a sanctuary that is 150 years old. Part of our history is that we are a family centered church who is committed to "sharing the peace and love of Christ through service, worship and discipleship" all empowered by the power of God. We look forward to developing a supportive relationship with our new pastor.

For more information about our church see our:
