2915 Airport Road, Marble, NC 28905

Church Description

We are a small church nestled in the heart of the Smoky Mountains in Western North Carolina. Our church was founded in 1896. We are a small congregation but very tight knit and are a diverse group from all walks of life and denominations in a rapidly growing retirement community. We have a large population of retirees. There are many attractions in our area such as hiking, boating, white water rafting, the John C. Campbell Folk School and the Murphy Arts Center.

We are looking for someone that can help us grow our congregation and be instrumental in developing, enriching and discerning God's plan for the future of our church.
