Clifton United Presbyterian Church is a new member of the EPC family, having recently joined EPC in February 2023, but since its founding in 1811 has been a worship home for committed, faithful and devoted Christians in the surrounding area. We are a friendly and welcoming family of believers. The historic, small rural village of Clifton, Ohio is surrounded by farmland and natural areas such as Clifton Gorge and John Bryan State Park where hiking and camping opportunities attract many visitors. Located approximately 25 miles east of Dayton and 10 miles south of Springfield, larger metropolitan areas of Columbus and Cincinnati are easily accessible within a one-hour drive. Local school districts are highly rated, and several colleges and universities are within easy driving distance.
