

MIDDLE SANDY EVANGELICAL PRESBYTERIAN CHURCH, HOMEWORTH, OH - a church of prayer warriors seeks a *full-time Pastor* to lead us in fulfilling their mission, “to know Jesus Christ and to make Him known through the worship of God and the teaching, preaching and living of His infallible word by the power of the Holy Spirit.”

Nestled in rural Homeworth, we are a small-town church with around 50 active members. The church was founded in 1821 and has been a part of their community of 500 for over 200 years! Homeworth is a short drive from Canton, home of the Pro Football Hall of Fame, and the thriving college town of Alliance, home of the University of Mount Union. We are located in an excellent rated school district, have affordable housing and enjoy the benefits of small town living where families are valued.

After much prayer and study, Middle Sandy joined the EPC in 2007; we embrace the tenets of this denomination. We have begun to explore an outreach program to the more transient members of our community, as Homeworth has more and more rental properties. The congregation seeks an enthusiastic pastor, led by the Holy Spirit, to encourage people in all walks of life to know Jesus Christ and to make Him known while leading the church into the future.

Middle Sandy EPC is looking forward to God providing a pastor who:

- Is a person who cultivates a close, devotional relationship with God
- Gifted by the Holy Spirit as an effective preacher, teacher, leader and speaker
- Passionate about helping people develop their spiritual life
- Encourages people to relate their faith to their daily lives
- Makes pastoral calls on people in the hospital, nursing home and/or confined to their home
- Builds a sense of fellowship among people
- Is a compassionate and caring person, sensitive to others’ needs

If you believe God is calling you to explore the ministry opportunity at Middle Sandy, please e-mail Ruling Elder Scott Mason, Chairman of the Search Committee at masonss@mountunion.edu.
