

Mount Perry EPC

Love Jesus, Learn Jesus, Live Jesus, Share Jesus

To Whom it may concern:

We are seeking an effective Biblically based preacher and leader ordained in the EPC. A compassionate and caring person skilled in relationships to join our prayerful community.

Mount Perry is a rural community in Northern Perry County, Ohio. We are located near the center between three larger towns 20-30 minutes from each Zanesville 25K, Lancaster 40K and Newark 51K.

We are searching for a full-time pastor to lead our long term committed congregation and help us grow our congregation and ministry. We celebrated our 200th year anniversary in 2005. In 2013 we added Harvest Hall connected to the sanctuary where we have classrooms, a large kitchen and community room where we host large gatherings including community Bible School. Although we may be a small church, we do big things in our community. We have great members who are very active and determined in serving others.

If you feel called by God to join our loving church family, please contact either our church secretary or Pastor search committee co-chairs.
