Who We Are: Wheat Ridge EPC is located in a rural area in south central Ohio within a community of both Amish and English (non-Amish). Our church was established in 1888. Our congregation is comprised of mature working adults and young families, with strong family ties. We are a united and welcoming body of believers seeking a part-time and/or "tent-maker" pastor for a congregation of approximately twenty-five people, nineteen of which are members.

Our Mission: We are called to spread the gospel message of love and redemption through Jesus Christ in our local community and around the world.

- Understands the value of working alongside the Ruling Elders and lay leadership through our various ministries
- Encourages people to relate their faith to their daily lives and develop their spiritual walk
