To Whom it May Concern:

What else should one know about **Westminster Presbyterian Church**? Maybe more about where we are located!

Enid is located in the northwest part of Oklahoma and has a population near 50,000; it is a regional hub for agriculture, oil and gas exploration, commerce and medical care. Our downtown has recently been renovated and the community is family friendly with an appreciation for good schools, annual celebrations (with amazing fireworks that are "homegrown"), Oklahoma's oldest symphony orchestra, biking/walking trails, public tennis courts, gyms, Master Gardeners, multiple golf courses, a skateboard park, opportunities for volunteering, a Ferris wheel, a soccer complex, our very own downtown ballpark, a world class children's museum with a multi-story outdoor playground, miniature golf, a dog park, a comprehensive history center, and a couple of "niche museums" that feature the Old West and railroads. We have a lot to offer both young families and young professionals. One of our best assets is Vance AFB where the best pilots in the world are trained. And this past Christmas season we had our own outdoor skating rink!

Enid's history is far from ordinary, springing up on the prairie in one day: cattle, wheat, claim jumpers, Native American culture, oil booms and oil busts, rodeos, community theatre, a downtown square. All this and more make up the fabric of our community. Our location is close enough to Oklahoma City, Tulsa and Wichita that you have the convenience of a more metropolitan area but not the headaches! Enid is a great place to live, raise a family, and it is affordable!
