EVERYTHING IS TO THE GLORY OF GOD!

Committed Followers – living out our faith and growing deeper

- Every member involved in a ministry of the church (beyond worship)
- Every member involved in a learning/study/faith-growing experience (beyond worship)

People in Mission – reaching beyond ourselves

- Intentionally get to know our neighbors in the community
- Encourage mission trip/service opportunities

Kingdom Builders – reaching others for Christ and growing his kingdom

- Provide opportunity for members to learn to share with others to lead to Christ

DETAILED VISION GOALS/METHODS

Encourage and challenge all members to serve in a ministry of the church – i.e. fellowship time preparation, bell choir, choir, Kids Bible Club, Quest, committees, etc.,....
Can we have at least 90% participation each year?

Encourage and challenge all members to grow in their faith and discipleship by participating in a faith-growing experience – i.e. Sunday School (can we increase attendance by 25% in 3 years?), Bible/book study (offer short term (6-10 week studies), Through-the-Bible-in-a-year read (provide a reading plan and encourage formation of a group for support and encouragement), etc.,....

Intentionally meet more neighbors and build relationships (bear gifts of soup, hand out church special events/calendars, etc.) Can we make 50 new contacts in 3 years?

Hold community events/dinners and intentionally engage with our guests. Donations could be received to raise mission funds for children in our community or other causes.

Build relationships with families we help with baskets. Provide dinner when they pick up, provide church bulletins, give tour of church (upstairs).

Engage in mission trip serving experiences. Alternate years for local and distance trips. Consider partnering with other area churches.

As we grow in faith, learn ways to share faith with non-believers through workshop or other training events. Plan and provide one Saturday workshop each year for this purpose.
