“New Covenant EPC is called to love God, love each other, and prayerfully go and serve the local community and the world.”

Hello there!

On behalf of the Pastoral Search Committee, I't thankful for your interest in learning more about our church. We desire to give you a taste of who we are and where we are going. We are looking for a shepherd who will lead us there. Please take a look at the following two links and then if you have any questions please reach out to Rev. David Zook of the GO Center. We have retained his services to assist our search.

Jarrett Chapman
Pastoral Search Committee Chair
