

Wilson Station Evangelical Presbyterian Church is located in beautiful rural Southeast Tennessee, next to the Great Smoky Mountains and Cherokee National Forrest. We are located between Chattanooga, TN and Knoxville, TN. We are surrounded by many, many rivers and lakes for water sports or recreation. We have many great places for camping and hiking. We have a moderate climate with 4 beautiful seasons. Our location is great for day trips to places such as Gatlinburg, Pigeon Forge, Blue Ridge Mountains, Lookout Mountain, Cherochala Skyway and many other wonderful places. The local communities have great little restaurants and museums. We have several seasonal local Farm Markets. We have great school systems, as well as universities and colleges within an hour's drive. We have a low cost of living, low property taxes, and no state personal income tax. Also available are many concerts for gospel, bluegrass gospel and many other genre of music.

We are seeking a part time and/or "tentmaker" Pastor for a congregation of approximately 40 members. This is a very united and loving congregation. We are family and community orientated. We are very devoted to God in prayer and service. We have a small Children's Program that we are developing. We have an average of 6 children on a regular basis. Most of the congregation is retired with a few young adult families. We promote church fellowship and activities, such as Gospel Singing Nights, Vacation Bible School, day trips, cookouts, bonfires, just to name a few. We are devoted to growing our church, in particular our children and youth programs. However, we love and welcome people of any age. We may be small in number, but mighty in love, prayer and service.

Our expectations are as follows:

- Be a shepherd to our congregation
- Interact with the congregation within all church related functions
- Be open to involvement in our community
- Believes and abides by the EPC Book of Order

We prayerfully look forward to embracing the Pastor God has in store for us.
