## OUR CHURCH

---

At New Hope, we're all about the Gospel of Jesus Christ. We are a church made up of broken, imperfect people with lots of different stories.

Your story is important to us as well. No matter what you've been through or what questions you might have about God and faith, our church is a place where you'll find the love, grace, and hope that Jesus offers to everyone.

FAITH IS  
STRENGTHENED  
WHEN IT IS  
CELEBRATED WITH  
OTHERS.

## ACTIVITIES

---

### FELLOWSHIP

New Hope has groups to exercise with, groups to dine with, and many more... all with the goal of enjoying time spent together.

### KIDS MINISTRIES

Experience safe, age-appropriate environments where your children, Pre-K through 4th Grade, will learn about Jesus in a creative and relevant way.

### STUDENT MINISTRY

New Hope's Student Ministry is designed to be a safe and enjoyable place for 6th-12th graders to connect with other students and discover or nurture your faith in Jesus Christ.
