

FIRST EVANGELICAL PRESBYTERIAN CHURCH, CEDAR GROVE WI: The First Evangelical Presbyterian Church is a small, dedicated and committed congregation of 48 people who are ready to start a new chapter in this 171-year-old congregation. Our church is located about midway between Green Bay and Milwaukee right along beautiful Lake Michigan. Cedar Grove is a village of approximately 2200 people with several small towns and villages surrounding it.

The village is close to many recreational areas such as the Northern Kettle Moraine Forest, several state parks, biking and hiking trails, and for the sports enthusiasts, the Green Bay Packers, Milwaukee Brewers, Milwaukee Bucks as well as several college basketball teams are very close by.

We are an excited group looking forward to God providing a compassionate part time Pastor who is able to:

- Preach and teach the Word and challenge us to grow in the Spirit
- Shows a strong prayer life
- The ability to reach out to people who are not actively taking part in the life of our church
- EPC ordination or eligibility for ordination in the EPC
- Leadership in and supporting of our children and youth ministries
- Willingness to develop an outreach ministry
- Possesses strong leadership skills and is able to present a clear sense of direction for our church and can energize the membership
- Experience in counseling and demonstrates humility and a desire to help others succeed as Christians
- Promote and shape the spiritual gifts and help the members use our spiritual gifts
