The Ministerial Vocation Committee and the Office of the Stated Clerk of the Evangelical Presbyterian Church are responsible for denominational vocational services. As part of the process of "matching" ministers and congregations, the Office of the Stated Clerk provides resources and advice to both pastors and congregational search committees. To that end, we ask congregations and ministers to complete information forms as an introduction to each other, and a first step in the process of calling a minister for a congregation. For both the individual pastor and the congregation, this is an opportunity for self-study and for evaluation of current ministry and goals. This calls for honesty, effort, and commitment to open communication.

The Church Information Form presents the local congregation's history, challenges, and goals. It is our hope that this will be of help in facilitating the search process, assisting the church in focusing on future directions and pastors in gaining some sense of the nature and uniqueness of this congregation.
