699 North Grove Street • Hendersonville, NC 28792-3729 • (828) 692-3211

Dear Candidate,

Thank you for your interest in the available position of Assistant Pastor of Youth and Families Ministries at Hendersonville Presbyterian Church (EPC).

HPC is a dynamic, multi-generational 280+ member congregation. We are located in downtown Hendersonville, NC, in the beautiful Blue Ridge Mountains. In 2020, we called our new Senior Pastor Rob McClelland to help direct and lead the congregation with a vision toward discipleship and evangelism. We are a Biblically-based congregation with active traditional and contemporary services, a strong lay leadership, and an amazing group of youth.

We are seeking an Assistant Pastor to focus on building relationships with students of all ages and their families. Additionally, this position is responsible for developing leadership teams of volunteers, developing programs, and equipping disciples to accomplish the mission of Hendersonville Presbyterian Church. The Assistant Pastor will preach approximately 12 times a year. This is a new position that will report directly to the Senior Pastor with accountability to Session. The position will also work alongside the Discipleship Ministry.

The ideal candidate must be ordained in the EPC or be willing and qualified to pursue ordination in the EPC. He or she must be passionate about making disciples, unabashedly in love with Jesus, adept in communication, and comfortable in different group settings.
