WHO WE ARE

St. Paul's is a vibrant and growing church family with a deep love for God and people. **Located in the Laurel Highlands of Pennsylvania**, we are a multi-generational body of believers who value authentic relationships, relentless obedience, Christ-like compassion, and fervent prayer.

Sunday mornings see over 400 gathered for our two worship services. Monday through Saturday, we can be found in youth groups, Bible studies, serving our neighbors, leading in the community, and making Jesus known wherever we live, work, and explore. St. Paul's is blessed with mature believers, young families, a trusted and hard-working staff --

and a humble desire to walk faithfully with God into the future.
