

## **Forks of the Brandywine Presbyterian Church – Glenmoore, PA – Interim Pastor**

The Forks is prayerfully seeking an Interim Pastor to guide us through the transition from our previous pastor of 8 years to the pastor God has already picked out to lead us into the future. It is our belief that God will use this interim period for spiritual growth and healing. Ideal candidates would have successfully served as an interim pastor, but we welcome inquiries from all who strongly hear God's call to serve during this unique time in our church.

Our church is in scenic northern Chester County, approximately 40 miles west of Philadelphia, between Philadelphia and Lancaster. Our membership is approximately 140 members with weekly worship attendance averaging about 115. Since our founding in 1735, we have striven to be true to the Word of God and the tenets of the reformed faith. In 2007 we followed God's leading out of the PCUSA and are now a member church of the EPC Presbytery of the East.
