

Seeking A Summer Church Planting/Pastoral Resident:

Christ Presbyterian Church in Springfield MA and Covenant Presbyterian Church in Simsbury CT are seeking a full time pastoral intern for the Summer of 2018. We are two churches who are excited about church planting in New England – one of the least reached places in the US and in the world. The position is a full time paid position (1-2 K/month depending upon the applicant's experience), with room and other expenses covered. The intern will have 6 weeks at each church – experiencing the range of pastoral ministry from preaching, to children's ministry, and hospital visits; all within a structured mentoring environment from two pastors with 15 years of pastoral ministry experience. Our hope is a candidate who loves the Gospel and New England will come for mentoring and with a heart to serve. Interested candidates will send a resume, cover letter, and 2-4 references to Tracy Johnson at Christ Presbyterian Church. Any and all questions are welcome!

Qualifications:

Love for Jesus and His Gospel
Interest in New England Church Planting
Some seminary training, first year or recent grad preferred
Interest in the EPC, preferably someone already under care
Ministry experience, either paid or volunteer
