

Ministry Resident at Storyhill Church Davidson, NC

Job Overview

Storyhill's Residency Program is a year-long training program designed for talented, highly capable individuals who seek to grow as Christians, as people, and as leaders. Some of our residents have sensed a call to vocational ministry while others are forming their understanding of how to be a minister in their workplace.

Residents will train in a specific ministry area under the supervision of a member of Storyhill's staff. Storyhill Church is a member of the Evangelical Presbyterian Church (EPC) and our mission is simple: To love God, love people, and keep Christ in the center of all we do by worshiping, growing, and serving together.

Job Description

Residents will join the staff of our church in a specific ministry area and spend 12 months being discipled and developing practical tools for leadership and ministry, personal tools and disciplines for spiritual growth, and relational tools for influence and communication over a career in ministry. We want our residents to grow - as Christians, as people, and as future leaders of the Church. The cohort of residents is led in a yearlong curriculum, deepening their knowledge and understanding of Scripture, experiencing a variety of spiritual disciplines and developing personal habits of prayer and personal study, and gaining deeper knowledge of themselves, their vocational call, and the Church. Residents are matched with mentors and have monthly meals with pastors, elders, and ministry partners who share reflections on life and ministry.

Residents are paid a monthly stipend and are placed with a host family from Storyhill to live with and connect with throughout the year. The role is part time, averaging 20-25 hours per week. The 2022-2023 class begins June 1, 2022 and ends May 31, 2023.

How to Apply

To apply please fill out our Residency Application

(https://docs.google.com/forms/d/e/1FAIpQLSdHRLwXIOOJX9cHLRo6dUNYos5bRNZJ_JcABnw8s3oy7Ae1Mg/viewform). This is a rolling application window, meaning that applications will be considered as they are submitted until positions are filled.
