

Job Openings New Hope Presbyterian

New Hope Presbyterian Church (EPC), a growing congregation with a thriving youth program in Fort Myers, Florida, is seeking a full-time **Director of Student Ministry** and an **Assistant Director of Student Ministry**. We are looking for inspiring leaders and dynamic teachers who will connect with our students and lead them to love God, love others, and become life-long disciples of Jesus.

Qualified candidates will have a strong personal relationship with Christ, a calling to serve youth and their families, a college degree, and student ministry leadership experience. We believe that effectively speaking the truth of Jesus into the lives of students requires building trusting relationships. Qualified applicants will be confident yet humble, highly relational, energetic, outgoing, personally grounded and mature; and they must be in agreement with the [Evangelical Presbyterian Church Essentials](#). Through scripture, prayer, group discussions, and lots of fun and fellowship, these new team members will nurture a strong sense of community.

The new team members will serve under the leadership of our Director of Family Ministry (a new position to be filled by our current Director of Student Ministry) and with the support and encouragement of our Senior Pastor, New Hope staff, and a faithful and committed team of volunteer adult leaders.
