

CHRIST'S COMMUNITY CHURCH

Christ's Community Church (CCC) in Fort Wayne, IN is seeking a part-time Director of Family Ministries. CCC exists *to glorify God and make fruitful disciples of Jesus*. We desire to be centered on Jesus Christ, to be hungry for God's Word, to pursue transformation in the Gospel, and to be intentional and real disciples of Jesus.

We believe that the gospel of Jesus—that Jesus alone is perfectly able to save all who come to him because he died and rose again—has deep implications for how we do ministry. Therefore, we are committed to forming disciples in every stage of life to live lives of repentance and faith, rather than seeking moralistic and behavioral management. Therefore, the person we are looking for must have a clear commitment to the gospel and display understanding of its implications for ministry to children and parents.

CCC is committed to the spiritual care and health of its staff. The overall engagement of the congregation in volunteering for children's ministries is very strong, including most of our elders and deacons.

Christ's Community Church is a congregation of the Evangelical Presbyterian Church (EPC). Please send letter of interest along with resumé to Marilyn Whitney at clerkofsession@cccfortwayne.org.
