Westminster is a thriving church in south east Mississippi. We are reformed in our theology, covenantal in our community, and missional in our actions. Our church is steadily adding new members and deepening in our knowledge of the Bible. Our membership is around 250 and we are very active in our young families demographic.

We are looking for a Director of Families and Youth who can help our families assimilate, encourage our congregation to volunteer and serve, can develop teachers, can build and cultivate a youth group, is a self motivated team builder, and has a heart for seeing the gospel applied to every area of church life.

For more information about our church please check out our CIF attached.
