

Children's Ministry Assistant

Do you love working with kids? We have a growing Children's Ministry at Jville Pres and are looking for someone who loves kids and the Lord to join the team in overseeing a dynamic and energetic children's ministry that disciples and mentors children and equips them for a life of ministry. This would include teaching an amazing group of elementary-aged kids at one of our Sunday services and at special events or mid-week activities, helping schedule our volunteers, and welcoming families on Sunday mornings.

This is a part-time position with room to expand, as the ministry grows and needs arise! It's a great opportunity to share your faith in a meaningful way and participate in Kingdom work with a great staff and church family.

If you are interested in joining in the fun, send your resume and statement of faith to Joy Tayler at joy@jvillepres.org. For more information about our church, check out www.jvillepres.org.
