

NCEPC Children's Ministry Director position

New Covenant (New Castle, PA) is looking to fill a Children's Ministry Director position.

Please take a look at the description, viewing it as a starting point for a discussion about Children's Ministry at New Covenant.

We are discerning what ministry looks like post-covid, and this includes doing some thinking about what ministry to children looks like for NCEPC in this post-covid context.

If you have a desire that children be introduced to Jesus, we'd love to talk with you!

All interested persons should contact pastor Chris Curtis.
