

Northeast Community Church (Philadelphia, PA) – Lead Pastor

The Big Picture

Northeast Community Church (nccphilly.org) is a multiethnic-multilingual mission church of 100 seeking a Lead Pastor who will continue the work started many years before of one church with many languages partnering together to bring change to the neighborhood, prepare men for ordination and raise up the next generation of committed followers of Jesus Christ.

The Church

Northeast Community Church (NCC) is a multiethnic-multilingual mission church in Northeast Philadelphia, part of the Philadelphia Presbytery. Our vision is to see the diverse people of Northeast Philadelphia follow Jesus Christ as Lord and Savior. It is a replanting project started in 2008. The project seeks to transform an all-white church into a multiethnic church. NCC is one church with four language ministries: Albanian, Arab, Chinese, and English. Although most of the time, we worship separately in our respective languages, we seek to be Christ's witness to the community together. We have one Session, one Staff, and we also receive the Lord's Supper together. We do ministry together as much as practical.

The Candidate

The Lead Pastor must aim to meet the Biblical qualifications of an elder stated in I Timothy 3:1-7 and Titus 1:5-9. He must be able to walk with the Lord privately, with his family and able to genuinely and visibly engage with God as he leads others in an urban environment. He will be the one who coordinates cooperation among the language ministries. He will preach once a week, strategize community outreach, disciple the church and be willing to raise part of the funds for the ministry of the church.

The Qualifications

The Lead Pastor must have a least three years of pastoral ministry experience. In addition, he must be willing to live in the city within a few miles of the church building. And one of the most important qualifications is that he must have an interest in and love for urban ministry.
