

The Opportunity: Pastor for Worship and Service

Lexington Presbyterian Church (LPC) is located in the midlands of South Carolina. Historically a small agricultural town that also served as a bedroom community to the state's capitol, Lexington has experienced tremendous growth over the last 40 years. Lexington is a thriving, diverse, family-oriented community with strong schools and a growing economy.

LPC has been present for much of that growth, transitioning from a small church plant to a solid church of 400-500 members. A full history of the church can be found [here](#).

LPC's Vision is "Making Disciples as we WORSHIP, LOVE and SERVE." In light of this, we are excited to announce a new staff position for our church.

The Assistant Pastor for Worship and Service will play a critical role in helping lead two of the three areas of our Discipleship model: WORSHIP and SERVE. Along with the Senior Pastor, the Pastor for Worship and Service will help plan, coordinate and lead our liturgy and the musical elements of our Sunday Morning Worship Services. He will also help cultivate a culture of service in our congregation and community through the mobilization and encouragement of our members, groups, guests, deacons, elders and staff.

Please refer to the Job Description for more details about the responsibilities and qualifications for the Assistant Pastor for Worship and Service.
