Simplified Contribution Platform User Guide

Introduction

This guide provides instructions for employers to submit retirement plan contributions to Fidelity Investments through the online Simplified Contribution Platform (SCP). SCP enables you to set up, fund, and submit participant contribution requests. **Note:** SCP is used for funding contributions only. For all other enrollment, changes, terminations, or other transaction requests, refer to your employer's or sponsor's procedures.

New SCP Users

If you have never registered in SCP or received emails about the initial login email, follow these steps.

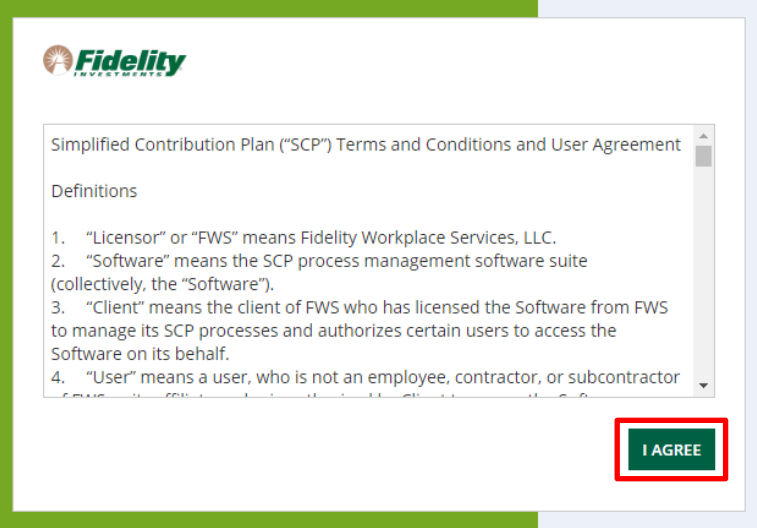

Step	Action
1	Open the Fidelity Plan Contact Information Form .
2	Fill in all required fields marked with an asterisk (*). Fidelity Plan Contact Information Form This form is intended to refresh contact information for plan contacts who intend to process plan contributions. As Fidelity makes upgrades to our contribution systems, we want to know how to reach you! If you have not already done so, please submit the form below. Plan Information Plan Number * <input type="text"/> If you need help finding your Plan Number, you can find it on your last invoice. Division Code <input type="text"/>
3	Fidelity will contact you within one week to help you establish access.

Important: If your role changes, your successor needs to follow these steps to gain access to the system. For your convenience, SCP allows multiple users from each employer to register and remit contributions. Encourage your successor to register as soon as possible after joining the team.

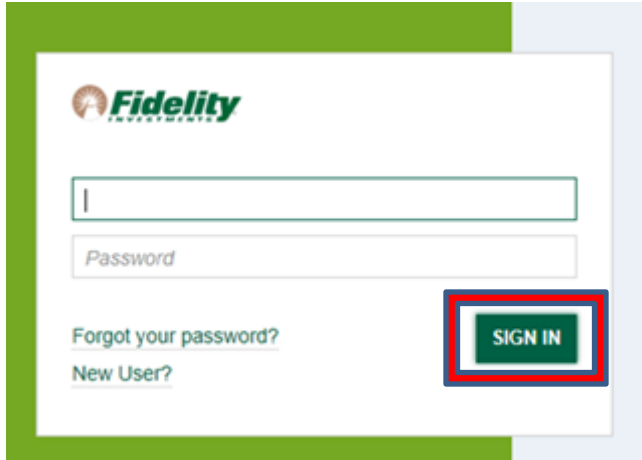

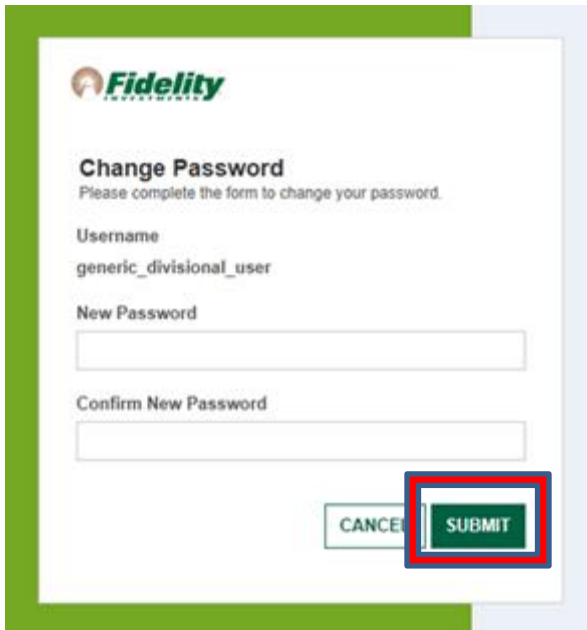

Logging into SCP

The initial set up email from SCP includes a temporary password and username. From there, you will be prompted to log in and set up a new permanent password.

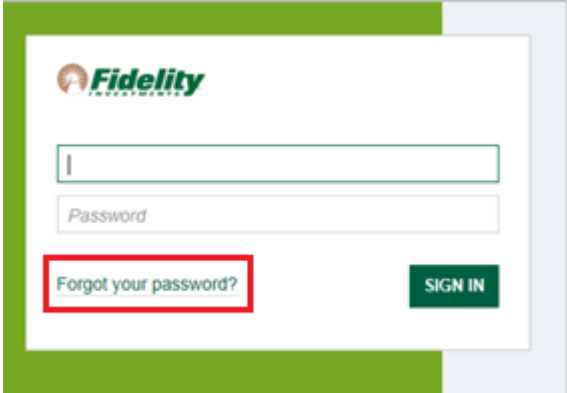

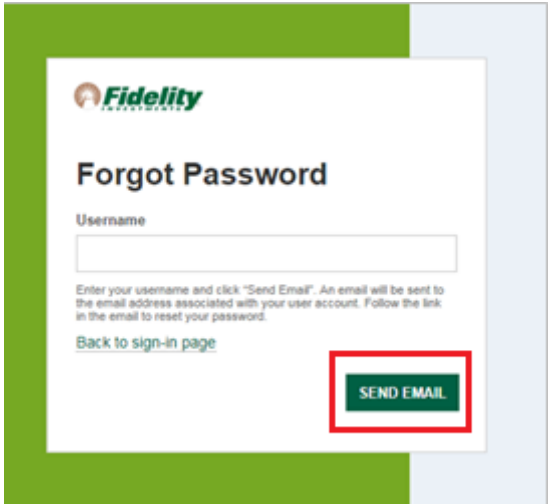

Step	Action
1	Click the login link in the email to open SCP and select your new password.
2	Click I Agree on the initial page. <div style="text-align: center;">  </div> <p><i>The Sign in page appears.</i></p>
3	Enter your username and password. Note: <ul style="list-style-type: none"> Your username is typically your email address in lowercase letters. Copy and paste the temporary password from the setup email directly into the password field.

Step	Action
4	Click Sign In .  <p><i>A page appears asking you to enter a new password and to confirm your new password.</i></p>
5	Enter the new password in both fields then click submit. 
6	Store your password in a secure location where you can easily access it for future use.

Resetting Your Password

If you forget your SCP password or need to reset your password, follow these steps.

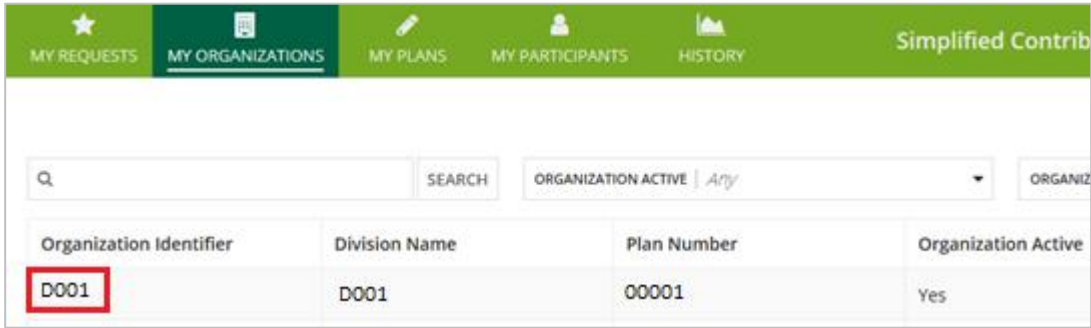

Step	Action
1	Log in to SCP .
2	On the initial page, click I Agree .
3	<p>On the Sign In page, click Forgot your password?</p>  <p>The Forgot Password page opens.</p>
4	<p>Enter your username. Note: Your username is typically your email address in lowercase letters.</p>
5	<p>Click Send Email.</p>  <p><i>This action sends an email to your inbox.</i> Note: You should receive the email within a few minutes. If you do not receive it, check your spam and junk folders.</p>

Step	Action
6	<p>After you receive the email, you will see a link included. Click the link.</p> <p>From: no-reply-admin@appian.fidelity.com [mailto:no-reply-admin@appian.fidelity.com] Sent: Tuesday, May 21, 2019 2:12 PM To: Drage, Holli Subject: Fidelity Investments Simplified Contribution Platform Password Reset</p> <p>Dear Test Test,</p> <p>We recently received a request to reset your password. Submitting Contributions

When you submit retirement plan contributions through SCP, you create (or remit) a contribution request.

Remitting Your First Contribution Request

To create your first contribution request, follow these steps.

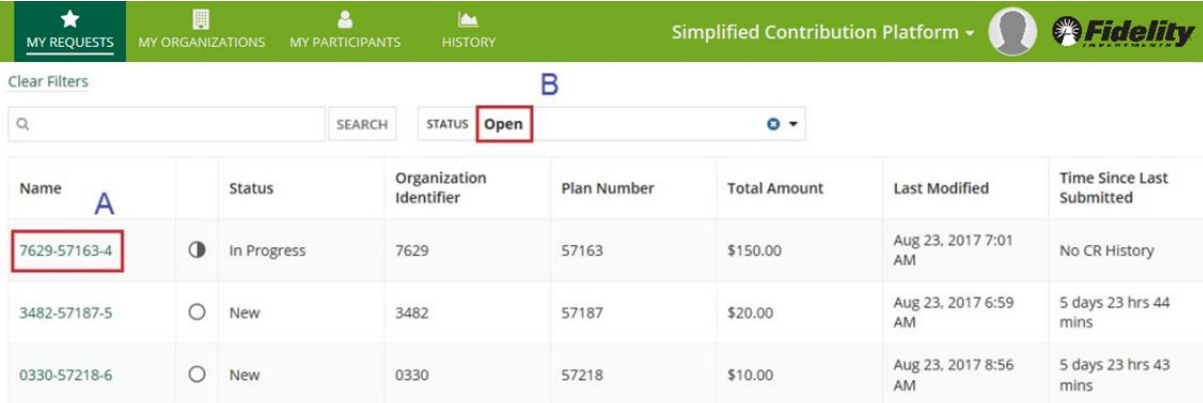

! **Important:** If you have more than one organization, you must return to this page to create a contribution request and add bank account information for each.

Step	Action
1	Log into SCP .
2	On the home page, click the My Organizations tab.
3	In the first column, choose your organization.
4	<p>Click Create Contribution Request.</p> <p>Note: This triggers a prompt to establish your bank account if you have not already done so.</p> 

Submitting Your Second Contribution Request

To create your second contribution request, follow these steps.

Step	Action
1	<p>After you create your first contribution request and enter your bank account information for each organization, return to the My Request page.</p> <p>Note: When you log in to SCP, this page is the default and displays your new or saved requests that are ready for processing.</p>

Approvals

Some employers choose to have a two-step process where one person is responsible for submitting the contribution and another for approving it. Please contact Fidelity's Customer Service at (800) 917-4369 if you wish to set up this kind of arrangement.

New Employees

To remit contributions for any new employees who have joined the plan since your last contribution, you must enroll them through your normal enrollment process.

Once enrollment is complete, new participant names appear in the Other Participant(s) section (C) on the Contributing Participants page. For the steps to complete the Other Participant(s) section, see the Submitting Your Second Contribution Request section procedure.

Terminating Employees

If an employee leaves employment, please complete your normal process for terminations. Thirteen months after the employee's termination date, they no longer appear in SCP on the Contributing Participants page.

! **Important:** If a participant transfers, it is important to submit all contribution requests before updating the division.

Funding Options

On the Contributing Participant(s) page, you may choose between two funding options in the drop down:

- ▶ Work with my bank to Wire/ACH the required funds to Fidelity
- ▶ Authorize Fidelity to withdraw the required funds from your account

Option 1: Authorize Fidelity to Withdraw the Required Funds from Your Account

The preferred funding option is to authorize Fidelity to withdraw required funds from your account, using the information you provide on the Bank Account Information page.

This option has several advantages:

- ▶ This option has no fee.
- ▶ The correct amounts always post to participant accounts.
- ▶ You are assured efficient and easy funding.

Option 2: Work with my Bank to Wire/ACH the Required Funds to Fidelity

The alternative funding option is to work with your bank to send a FedWire transfer or send the funds via ACH (Automated Clearing House) to Fidelity. Use the following information and instructions to use FedWire or ACH for your contribution to either Wells Fargo or Deutsche Bank based on your preference. This option allows you to determine when and how much to send to Fidelity each time you fund contributions.

2	<p>Click your profile icon on the top-right corner of the page and then click Profile.</p> 

Step	Action
3	<p>Click Configure Reminders.</p> 
4	<p>Set up a notification time frame to align with your payroll cycle.</p> <ul style="list-style-type: none"> Choose whether the notifications should repeat weekly or monthly. Select a start date. Select a frequency and day of the week when they are sent. 
5	After you fill in each field, click Add .
6	<p>Click Done.</p> <p>Important: Because notifications are sent through email, be sure to keep your email address and other contact information up to date in the system.</p>

Additional Support

If you have a specific question and cannot locate the information within SCP, contact your Fidelity Service Team at (800) 917-4369.

The current paper-based contribution process is being replaced by electronic submission through SCP. After your organization is set up on SCP, paper submissions will be supported for a brief transition period only (generally one or two payroll cycles). During this transition, processing paper requests might take an additional business day because of the manual conversion to SCP.

Note: After the transition, paper submissions will no longer be accepted and checks will be returned to you.
